House:566, Road:17, Block:F, Basundhara R/A, Dhaka

OBJECTIVE

Passionate, fast-adapting, and communication-driven MERN stack developer skilled in JavaScript, TypeScript, React.js, Node.js, Express.js, and MongoDB. I've developed and deployed real-world web applications through self-learning, project-based development, and my current role as a Full Stack Developing Trainee at Noverse Inc. I've explored PostgreSQL, and I'm currently deepening my skills in Redux and Next.js.

EXPERIENCE

• Full Stack Developing Intern (Remote)

Noverse Inc

June 2025 - Present

Singapore

- Responsible for implementing AI in a educational software that is yet to be launched.
